**Tom Hazleton** is regarded as one of the leading organist/director/clinicians in the world. He was on the staff of Menlo Park Presbyterian Church in Menlo Park, California, for over 13 years. In that time the congregation grew from 750 members to over 5,000. Mr. Hazleton is considered a "brilliant communicator" at the organ. His concerts and workshops take him around the world as he seeks to excite, entertain, and educate church musicians and congregations.

**STEVEN FRANK** was a student of Virgil Fox and even shared the stage with him. He is a graduate of

the Guilmant Organ School, where he studied organ with George Markey, and Wagner College, where he later spent five years on the music faculty. He also studied with Walter Baker at the Mannes School of Music, Jasper Thorogood from St. Paul's School in London, and Tyler McGlamry.

Mr. Frank has played concerts in most major New York churches, given numerous recitals at the former Gallery of Modern Art, and performed the New York premiere of Ricard Bellak's Fantasy for organ and brass at Alice Tully Hall, Lincoln Center. In addition, he has played five Virgil Fox memorial concerts. In the Fall of 2000 Mr. Frank was one of eight performers at the 20th Anniversary Virgil Fox Memorial concert at The Riverside Church in New York City, which drew one of the largest crowd at an organ concert in recent memory and was the subject of an article in the New York Times.

" Finlandia " *Organ & Piano Duet* arr. Linda McKechnie

**John Hyunil Hong** (Organ) was born in Incheon City, Korea. His musically gifted father, an organist for over 30 years as well as a pastor and music teacher, saw that John was innately musical and

began teaching him piano at age 4. Between the ages of 10 and 16, John and his family toured throughout Korea, playing over 250 concerts. Soon after relocating to the US, John won two scholarships from Allen Organ Studios, Inc., Mineola, to study with Tom Hazleton, John Weaver, Steven Frank and David Hegarty. The arrangement of the toccata heard today by Frederick Swann was put on paper from a videotape by John's late identical twin brother, Paul Sungil Hong. A scholarship student at Juilliard School of Music, John is in his Senior year of college.
